City of Baldwin Park Secures \$3.15 Million Federal Investment for New Teri G. Muse Family Service Center

BALDWIN PARK, CA – The City of Baldwin Park will host a formal check presentation on Tuesday, March 10, at 2:30 p.m. to celebrate a \$3.15 million federal investment secured by Congressman Gil Cisneros. The funding will support the development of a modernized and expanded Teri G. Muse Family Service Center, significantly increasing the City’s capacity to provide vital social services. The presentation will take place at the current center located at 14305 Morgan Street.

“For nearly 30 years, our Family Service Center has provided life-changing programs to our residents. This significant investment ensures that Baldwin Park can continue to meet the evolving needs of our community for generations to come,” said Baldwin Park Mayor Daniel Damian. “We are deeply grateful to Congressman Cisneros for his leadership and his dedication to strengthening the safety net for our families.”

The Teri G. Muse Family Service Center brings together nonprofit organizations and community partners that provide social, economic, legal, health and human services to residents in need. With increasing demand for these services, a new facility will allow the City and its partners to expand programs, improve accessibility and serve more families throughout the San Gabriel Valley.

The \$3.15 million allocation was included in the Fiscal Year 2026 federal funding legislation passed in February. Congressman Cisneros was instrumental in championing this request as part of a broader \$18 million investment in Community Project Funding across the San Gabriel Valley.

This local hub for mental and physical health programs has received continuous federal support over the years as Congresswoman Grace F. Napolitano secured \$750,000 in 2023 through the Fiscal Year 2023 Omnibus Funding Bill to expand the Teri G. Muse Family Service Center. Congresswoman Napolitano’s aid, with the support of U.S. Senators Diane Feinstein and Alex Padilla, State Senator Susan Rubio and Assemblywoman Blanca Rubio, helped add 12,000 square feet of space to the vital facility.

Baldwin Park invites the media to the check presentation with Congressman Cisneros to join City leaders and community partners in recognizing the investment and highlight ongoing collaboration with regional and federal partners to support families in Baldwin Park,
